

COURSE DESCRIPTION

This course is being offered to current EMT-Basics and EMT-Intermediates to increase their knowledge and skill base to the Paramedic level. Candidates will be able to challenge the Illinois State or the National Registry of EMTs Paramedic Exam after successful completion of this course.

Persons who have successfully completed an I-99 course may enroll in this course, and will receive credit for clinical and field internship time from their Intermediate course, however, attendance at all class dates is required.

EMT-BASIC PARAMEDIC

Wednesdays & Thursdays
January 18 – September 20, 2012
9am - 5pm

TESTING

All clinical and internship time must be completed by May 31, 2012. Students may challenge licensing examinations following successful course and internship completion.

COURSE REQUIREMENTS

Written verification of one year (minimum of 1500 work hours) work experience as an EMT-B.

Completion of the HOBET (Health Occupations Basic Entrance Test) which predicts successful completion of paramedic curriculum. Failing this entrance exam does not exclude participation in the program, but instead provides information regarding probability of successful course completion.
