

COURSE DESCRIPTION

Heartsaver® CPR AED

- Adult CPR and AED use
- Optional modules in child CPR and AED use and infant CPR, including child and infant choking

Heartsaver® First Aid

This course teaches how to manage illness and injuries in the first few minutes until professional help arrives. Course content includes first aid basics in:

- Medical emergencies
- Injury emergencies
- Environmental emergencies
- Adult CPR and AED use
- Optional modules in child CPR and AED use and infant CPR

Heartsaver® First Aid CPR AED

This course teaches students critical skills and knowledge needed to respond to and manage a first aid or sudden cardiac arrest emergency in the first few minutes until emergency medical services (EMS) arrives. Content includes how to treat bleeding, sprains, broken bones, shock and other first aid emergencies, as well as perform CPR and use an AED.

This course is for anyone with limited or no medical training who needs a course completion card in first aid, CPR and AED use to meet job, regulatory or other requirements.
