COURSE DESCRIPTION

It's proven. The ITLS course provides an opportunity to improve the quality of trauma care and has been shown to improve mortality and morbidity rates.

It's critical thinking. ITLS promotes critical thinking as the foundation for providing quality care and helps providers make informed decisions in the field.

It's current. The ITLS course has been updated and revised to keep up with advances in the field, ATLS guidelines, and feedback from ITLS participants.

It's consistent. The backing and support of an international organization ensures consistency in all ITLS programs.

INTENDED AUDIENCE

Prehospital and emergency care providers (First Responder, EMT-B, EMT-I, EMT-P, RN, MD, and other licensed healthcare professionals) that currently have a need to increase their knowledge and skills for treating the trauma patient.
