The Peoria Area EMS Office would like to extend an enthusiastic "CONGRATULATIONS!!" to Peoria Heights Fire Department.

As of 1900 today, October 6, 2009, Peoria Heights Fire Department will be functioning as an Advanced Life Support Agency.

Peoria Heights Fire Department will not only be benefiting the community they serve by providing them with ALS care, but they will also be providing ALS educational support to the PAEMS System by serving as a Preceptor Agency.

We are very proud and grateful for the strides that Peoria Heights Fire Department made to bring this to fruition. Please join us in congratulating them and wishing them the best of success with their new future!

In the pursuit of excellence,

The PAEMS Team
