Re: 2011 Continuing Education Classes Flyer

We have discovered misprints on the 2011 PAEMS Continuing Education Classes flyer which shows monthly continuing education on November 3, 2011 & December 1, 2011 which is incorrect.

The correct dates for monthly continuing education for the remainder of the year are as follows:

Wednesday, November 2, 2011 - The Cardiac Patient

Wednesday, December 7, 2011 - Hazmat

Thanks,

Dale Tippett
