

Memo

To: ALL PAEMS Agencies
From: PAEMS Office
Date: May 8, 2017
Re: Medicated Facilitated Intubation Protocol Revision

To all PAEMS ALS agencies:

Effective immediately, the Medicated Facilitated Intubation Protocol is being suspended from the PAEMS protocol manual due to recent issues and misapplication. The protocol's wording and utility is currently under review. Please remove this protocol from your PAEMS protocol manual until further notice.

Sincerely,

EMS Medical Director
Peoria Area EMS
