Re: Annual Inspections

Per IDPH request, the PAEMS System Office will be performing Non-Transport Inspections this year which must be completed by **February 28, 2011**.

Each licensed response vehicle must be equipped and stocked in accordance with the [IDPH Non-Transport Vehicle Inspection Form](#) and additional required equipment as set forth by the EMS Medical Director. The Peoria Area EMS System Agency Supply Lists are located in the [Adult Protocol Manual](#) on the pages listed in the table below.

Agency Level	Reference Page(s)
First Responder	251
Basic Life Support	252 & 257
Intermediate Life Support	252, 253 & 259
Advanced Life Support	252, 254 & 261

In order to complete this process in an orderly & timely manner, please contact Scott Swank at 309-655-3028 or scott.swank@osfhealthcare.org to schedule a date & time for the inspections to be done.

Thank you for your assistance,
