Focus on:

- Resiliency in a Time of Constant Change
- The Dangers of Cognitive Bias in the Prehospital Setting
- Perinatal Emergencies
- Pediatric Poisonings
- Top 10 EM Articles of 2016
- ACEP Update

Plus: Simulation Skills Workshop

- Featuring 2 skill stations:
  - Pediatric Overdose Resuscitation
  - Obstetrical Emergencies

REGISTER FOR ONE OR BOTH PROGRAMS! OPEN TO ALL LEVELS OF PROVIDERS

Thursday, February 16, 2017
Peoria, Illinois

REGISTER NOW: ICEP.ORG
Program Agenda

7:30 AM - 8:00 AM
Registration and Visit the Exhibits

8:00 AM - 8:10 AM
Welcome and Opening Remarks
John W. Hafner, Jr., MD, MPH, FACEP
Residency Director, Clinical Associate Professor Emergency Medicine, University of Illinois College of Medicine at Peoria; Attending Physician, Department of Emergency Medicine, OSF Saint Francis Medical Center; Peoria, IL
Nur-Ain Nadir, MD, MHPE, FACEP
Simulation Fellowship Director, Director of Simulation, Assistant Professor Emergency Medicine, University of Illinois College of Medicine at Peoria; Attending Physician, Department of Emergency Medicine, OSF Saint Francis Medical Center; Peoria, IL
Greg Podolej, MD
Simulation Fellow, Assistant Professor Emergency Medicine, University of Illinois College of Medicine at Peoria; Peoria, IL

8:10 AM - 9:40 AM
Resiliency in a Time of Constant Change
Rebecca Parker, MD, FACEP
President, American College of Emergency Physicians; Dallas, TX
OBJECTIVES:
• Define burnout syndrome, best measurement tools (MBI survey) and how it applies to emergency practice
• Describe the culture of medicine and the barriers and opportunities to affecting change within the practice of medicine
• Explore strategies and direct application of resiliency tools and tactics

9:40 AM - 10:00 AM
Break and Visit Exhibits

10:00 AM - 10:30 AM
ACEP Update
Dr. Parker

10:30 AM - 11:20 AM
The Dangers of Cognitive Bias in the Prehospital Setting and How to Combat Them
Christopher McDowell, MD, MEd, MS, FACEP
Program Director, Emergency Medicine Residency, SIU School of Medicine; Springfield, IL
Sven Steen, MD, R-3
Emergency Medicine Residency, SIU School of Medicine; Springfield, IL
OBJECTIVES:
• Identify the unique challenges of the prehospital setting that predispose to cognitive bias
• Develop a strategy to identify cognitive bias in prehospital cases

11:20 AM - 11:35 AM
Break and Visit Exhibits

11:35 AM - 12:20 PM
The Top 10 EM Articles from 2016
Dr. Hafner
OBJECTIVES:
• Review current literature to outline important advances in emergency medicine from key articles in 2016
• Analyze the implications and limitations of the studies on the practice of clinical emergency medicine
12:20 PM - 12:35 PM  
**Lunch Pick-Up & Last Chance to Visit Exhibits**

12:35 PM - 1:20 PM  
**Lunch Presentation**  
**Perinatal Emergencies**  
Victor Chan, DO  
Attending Physician, Department of Emergency Medicine, OSF Saint Francis Medical Center; Peoria, IL  
**OBJECTIVES:**  
• Discuss challenges and approach to precipitous delivery in the ED  
• Review management of delivery complications including shoulder dystocia, cord prolapse, and breech delivery  
• Discuss treatment of post-partum hemorrhage and care

1:20 PM - 2:05 PM  
**A Pharmacopoeia of Pediatric Poisonings**  
Dr. Podolej  
**OBJECTIVES:**  
• List five commonly prescribed adult medications that can be fatal if ingested by a child  
• Recognize clinical clues that can help differentiate these different poisonings  
• Formulate an antidote based management strategy for these poisonings

2:05 PM  
**Morning Session Adjournment & Evaluation**

2:15 PM - 5:15 PM  
**Simulation Skills Workshop** (optional)

JOIN US!  
2:15 PM - 5:15 PM  
**Cost:** $99  
Register early - space is limited!

**Simulation Skills Workshop**  
Join ICEP in the afternoon in the state-of-the-art sim lab for hands-on skills practice. Spend 90 minutes at each module and earn a maximum of 3 **AMA PRA Category 1 Credits™**.

**MODULES:**  
**Pediatric Overdose Resuscitation**  
Dr. Podolej  
**OBJECTIVES:**  
• Recognize the clinical and metabolic features present in calcium channel blocker overdose  
• Understand the importance of an early aggressive management strategy including calcium and high-dose insulin euglycemic therapy  
• Utilize a team based approach with appropriate resource utilization to perform a coordinated resuscitation

**Obstetrical Emergencies**  
Dr. Nadir  
**OBJECTIVES:**  
• Describe the anatomy and risk factors for shoulder dystocia  
• Describe the anatomy and risk factors breech deliveries  
• Demonstrate maneuvers for delivery of shoulder dystocia and breech presentations  
• Discuss resource management including need for neonatal resuscitation and back-up

Add on to your **EM Update registration** or attend the **Sim Workshop only**!
Register me for ICEP's Emergency Medicine Update on Thursday, February 16, 2017 at Jump Trading Simulation & Education Center.

Register for one or both programs!

**EM Update:**
- ( ) ICEP/ACEP Member - $115
- ( ) Non-Member Physician - $145
- ( ) Nurse, PA, or EMS Provider - $85
- ( ) Resident - $25
- ( ) Medical Student - No charge

**Simulation Skills Workshop:**
- ( ) Afternoon Session - $99
  
  *3 hours of hands-on skills!*
  
  All providers welcome. Space is limited.

**Payment Information**
- ( ) Check enclosed (payable to ICEP)
- ( ) VISA ( ) MasterCard ( ) AmEx ( ) Discover

**Continuing Medical Education**

**Physicians** -- This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the American College of Emergency Physicians and the Illinois College of Emergency Physicians. The American College of Emergency Physicians is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American College of Emergency Physicians designates this live activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for a maximum of 7.5 hours of ACEP Category I credit.

**Nurses** -- The American Nurses Credentialing Center’s Commission on Certification will accept CME credit for 50 percent of a registered nurse’s certification requirements.

**EMT and Prehospital/RN/ECRN** -- This continuing education activity is approved by the Commission on Accreditation for Pre-Hospital Continuing Education (CAPCE) for a maximum of 7.5 continuing education hours (CEH).

This conference provides 2.25 hours of pediatric topics that can be used in hospitals recognized in Illinois as a Pediatric Critical Care Center (PCCC), Emergency Departments Approved for Pediatrics (EDAP) and Standby Emergency Departments approved for Pediatrics (SEDP).

This conference provides 2.25 hours of trauma topics. The Illinois Emergency Medical Services and Trauma code states that Emergency Physicians working in Level I or Level II trauma centers must have 10 hours of approved AMA or AOA trauma CME per year.

**Cancellation Policy:** Because of the high costs associated with conducting this course, no cancellations will be honored. Substitute registrants will be accepted.
